

VICES

The wellknown and reliable

Parker Vises

are used in all countries and for all purposes where such a tool is required. We make them for the Machinist, Blacksmith, Plumber, Carriage Maker, Carpenter and Jeweler.
36 Styles. 120 Sizes. No shop complete without a Parker Vise. Send for Catalogue.

WOOD SCREWS.

We make a full line of Steel and Brass Wood Screws under the Brand of The United States Screw Co.

These goods are made of the best material obtainable; are manufactured by the latest improved machinery and are in every way desirable.

THE PARKER GUN.

Celebrated for its excellent qualities and Shooting Record.

Thousands of the Parker Guns are now in use by all classes of Sportsmen. Many of the best records at the Traps have been made with this reliable Gun. Made like a watch; every part as near perfection as it is possible to attain. If interested in Field Sports do not fail to examine the *PARKER* before purchasing.

COFFEE MILLS.

After more than 60 years experience in the manufacture of Coffee Mills we claim the most complete line of desirable goods in the market. Box, Side, and Store Mills in great variety. We are sole manufacturers of the *BALL BEARING MILLS*, the easiest running, best grinding Mill in the market. Covered by Letters Patent.
